Introduction

SriMithuru is a non for profit Incorporated Association of friends and their families living in Melbourne, who thrives at keeping friends together, improve awareness of our cultural background among the younger generation and contributing to the socioeconomic development of Sri Lanka. It was originated in year 2000 by a group of friends in Melbourne intending to keep a healthy relationship among the circle of family friends. SriMithuru has grown to be an organisation connecting a large number of Sri Lankans living in Victoria. The Uniqueness of SriMithuru is its openness for any Sri Lankan, irrespective of their school, technical college or university studied in Sri Lanka and ability to contribute to its objectives.

SriMithuru provides an opportunity for kids to actively engage in regular events to educate and appreciate Sri Lankan traditional cultural values. These events allow young kids to interact with their friends while parents also enjoy some quality time together. Among the major activities that are organised annually by SriMithuru Sinhala and Tamil New Year festival, Cricket and Netball Tournament, Entertainment Night, Tree planting and Family Fun Day are noteworthy.

SriMithuru Scholarship program was initiated in 2011 as a welfare program for helping selected under privileged but talented children in Sri Lanka in continuing their school education. This program was first implemented with the financial contributions of a few families associated with SriMithuru. Today, SriMithuru awards about 20 scholarships to needy students.

SriMithuru Family Day

SriMithuru Family day was held on the Tuesday, 4th of November 2014 in Jells Park, Wheelers Hill. It was a great day for everyone who joined the SriMithuru Family Day. Weather was excellent and everyone enjoyed the day at the BBQ followed by Girls Netball and mixed elle games with a great participation of many younger members of the group.

SriMithuru Cricket Tournament

We have successfully concluded the SriMithuru Cricket Tournament on 9th March 2015 at Mulgrave Reserve Grounds, Wheelers Hill. We had 12 teams competing to win the championship. After the preliminary round matches, four top teams of each group; Cricket Sri Lanka, Kelani Super, Sri Lankan Fire and Pera sixers went in to semi-finals. With stunning batting performances backed up with accurate bowling, Kelani Supper led by Harendra Nilaweera emerged as champions of SriMithuru Cricket 2015 by defeating Pera Sixers in the finals. We would like to congratulate winning team and wish good luck for all the teams in forthcoming tournaments including next SriMithuru Cricket Tournament on March 14, 2016.

It was pleasing to see young teams, The Clan, Team Atahal and Cricket Sri Lanka performing well in the tournament. We have no doubts that they will come with all guns blazing when we meet next. It was encouraging sight of over 300 attendees on the ground cheering their teams and enjoying the family environment.

Meanwhile, our special thanks should go to all the volunteers who turned up to help us by scoring, umpiring, organizing sausage sizzle, preparing the grounds and supporting us in numerous other ways.

SriMithuru New Year Games

This event represents a major icon for Sri Lankans (Called Sinhala & Tamil New Year) who celebrate their traditional New Year at the same time with similar customs and traditions. The main theme to host this event by SriMithuru is to collect most of Sri Lankan families living in Melbourne to one place and get together with each other while celebrating traditional New Year games. The most important outcome of the event is to bond families, children and friends with our traditional culture and values.

New Year games celebration event of this year was held on 11th April 2015 at the Sussex Heights Primary School Ground, Mount Waverley with the participation of 60-70 families. As usual most of the morning games including marathon, Aliyata Ehe Thebima, balloon blasting and Kana Muttiya which was more popular to kids were concluded before noon.

Showing our cultural bond among us, all the families who came to event brought a plate of food to share among us and those plates decorated the traditional New Year table with oil lamp lighted by our most senior family members and meanwhile Raban gaseema was done by some of expert senior members.

All the winners were prized by SriMithuru and almost all the prizes were sponsored by our generous donors.
